

## NH Fish and Wildlife Stewards Program Request Form

Thanks to the support of a federal grant, volunteer Fish and Wildlife Stewards are now available to present FREE wildlife-related programs to adult groups statewide. New Hampshire Fish and Game Department Fish and Wildlife Stewards are volunteers trained to present public presentations aimed at increasing public awareness of the federal Sport Fish and Wildlife Restoration programs and the important Fish and Game projects they fund.

Choose from three presentations:

- *Black Bear Happenings in New Hampshire*
- *Understanding Bobcats in New Hampshire*
- *Restoring Brook Trout in New Hampshire*

Each presentation includes information about the natural history of the animal, research and management of that animal, and background on the Wildlife Restoration Program that has made the work possible. Presentations are approximately 30-45 minutes long.

To request a program for your adult organization or group, complete the program request form below and mail or email.

Fish and Wildlife Stewards Program  
NH Fish and Game  
11 Hazen Drive  
Concord, NH 03301.

Questions? Please email: [Lindsay.webb@wildlife.nh.gov](mailto:Lindsay.webb@wildlife.nh.gov), or call (603) 271-3212.
