Attention! New for 2019

Dear Bass Tournament Director:

The New Hampshire Fish and Game Department, Inland Fisheries Division, is changing the way we conduct our Bass Fishing Tournament lottery Process. Please see below.

- Applications for the Bass Tournament lottery will be accepted from October 1, 2018 through December 1, 2018
- Each sponsoring organization may submit up to 15 applications for the lottery.
- **Please do not send checks with your applications as you have in the past.** After the lottery you will be notified of which events you were awarded along with the associated fees.
- Once fee is received we will commence permit issuance.
- After lottery process and permit issuance is complete, we will commence the first come, first serve as we have done in the past.

Thank you for your cooperation in regards to this. We are hopeful that this process will be greatly improved.

Sincerely,

A handwritten signature in black ink that reads "Jason M. Smith".
