

**Readopt with amendment Fis 302.04, effective 4-24-21 (Document # 13197, EXEMPT), to read as follows:**Fis 302.04 Ducks, Mergansers, and Sea Ducks.

(a) Pursuant to authority granted by RSA 209:6-b, and in accordance with 50 CFR Part 20, the season for taking ducks, mergansers, and sea ducks shall be as follows:

- (1) The season for taking ducks, mergansers, and sea ducks in the inland zone shall open October 4 and close November 6; reopen on November 23 and close again on December 18;
- (2) The season for taking ducks, mergansers, and sea ducks in the coastal zone shall open on October 5 and close on October 11; reopen on November 23 and close again on January 14;
- (3) The season for taking ducks, mergansers, and sea ducks in the northern zone shall open on October 2 and close on November 30; and
- (4) There shall be no open season for Harlequin ducks.

(b) The delineation of the inland, northern and coastal boundaries shall be as follows:

- (1) Coastal zone - Beginning at the Maine-New Hampshire line in Rollinsford, that portion of the state of New Hampshire east of a boundary formed by state highway 4, west to the city of Dover, south to the intersection of state highway 108, south along state highway 108 through Madbury, Durham and New Market to the junction of state highway 85 in Newfields, south to state highway 101 in Exeter, east to Interstate 95 (New Hampshire Turnpike) in Hampton, and south on Interstate 95 to the Massachusetts border;
- (2) Northern zone - That area of the state east of the Connecticut River zone and north of the inland zone beginning at the junction of route 10 and route 25A in Orford, east on route 25A to route 25 in Wentworth, southeast on route 25 to exit 26 of route I-93 in Plymouth, south on route I-93 to route 3 at exit 24 of route I-93 in Ashland, northeast on route 3 to route 113 in Holderness, north on route 113 to route 113-A in Sandwich, north on route 113-A to route 113 in Tamworth, east on route 113 to route 16 in Chocorua, north on route 16 to route 302 in Conway, east on route 302 to the ME-NH border; and
- (3) Inland zone - The remaining portion of the state including the Connecticut river zone as specified in RSA 209:5-a.

(c) The sea duck hunting area includes all coastal waters and waters of rivers and streams seaward from the first upstream bridge from the coast.

(d) Daily shooting or falconry hours shall begin at one-half hour before sunrise and end at sunset.

(e) Taking of ducks in the inland, northern and coastal zone shall be limited to a daily bag of 6, and a possession limit of 18. Taking of sea ducks shall be limited to a daily bag limit of 4 and a possession limit of 12. Taking of mergansers shall be limited to a daily bag of 5, and a possession limit of 15. The falconry daily bag limit shall not exceed 3 migratory game birds in the aggregate.

(f) The species of ducks named below shall be subject to the following restricted bag limits, and shall be included as part of the daily bag limit specified in paragraph (d):

- (1) Taking of black ducks statewide shall be limited to a daily bag of 2 and a possession limit of 6;
- (2) Taking of wood ducks statewide shall be limited to a daily bag of 3 and a possession limit of 9;

- (3) Taking of redheads statewide shall be limited to a daily bag of 2 and a possession limit of 6;
- (4) Taking of mallards statewide shall be limited to a daily bag of 2 (only 1 of which may be a hen), and a possession limit of 6 (only 3 of which may be hens);
- (5) Taking of pintails statewide shall be limited to a daily bag of 1, and a possession limit of 3;
- (6) Taking of scaup statewide shall be limited to a daily bag of 1 and a possession limit of 3;
- (7) Taking of scoter statewide shall be limited to a daily bag limit of 3 and a possession limit of 9;
- (8) Taking of eiders statewide shall be limited to a daily bag limit of 3 (only 1 of which may be a hen) and a possession limit of 9;
- (9) Taking of long-tailed ducks statewide shall be limited to a daily bag limit of 3 and a possession limit of 9; and
- (10) Taking of canvasbacks statewide shall be limited to a daily bag of 2 and a possession limit of 6.

(g) In addition to the regular migratory bird season, there shall be a special extended falconry season on ducks, mergansers, and American coots as follows:

- (1) The inland zone season extension shall open on November 7 and shall close on November 22, reopen on December 19 and close again January 16;
- (2) The coastal zone season extension shall open on January 25 and close on March 10;
- (3) The northern zone season shall open on December 1 and shall close on January 14; and
- (4) The daily bag and possession limits for falconry are specified in Fis 302.04.

(h) Non-toxic shot shall be required statewide for the taking of ducks and mergansers. For the purposes of this section “nontoxic shot” means, as it does in 50 CFR 20, any shot type that does not cause sickness and death when ingested by migratory birds as determined under 50 CFR 20. The only shot currently approved by the Director, US Fish and Wildlife Service, are steel shot, bismuth-tin shot, tungsten-iron shot, tungsten-polymer shot, tungsten-matrix shot, tungsten-nickel-iron shot, tungsten-bronze shot, tungsten-tin-bismuth shot, tungsten-tin-iron-nickel shot, tungsten-iron-copper-nickel shot, tungsten-tin-iron shot, and tungsten-iron-polymer shot.

**Readopt with amendment Fis 302.06 and Fis 302.07, effective 4-24-21 (Document #13197, EXEMPT), renumbered as Fis 302.05 and Fis 302.06, to read as follows:**

Fis 302.05 Coots.

(a) Pursuant to authority granted by RSA 209:6-b, and in accordance with 50 CFR Part 20, the season for taking coots shall be as follows:

- (1) The inland zone, as specified in Fis 302.04(a)(3), shall open October 4 and close on November 6; reopen on November 23 and close again on December 18;
- (2) The coastal zone, as specified in Fis 302.04(a)(1), shall open on October 5 and close on October 11; reopen on November 23 and close again on January 14; and

(3) The northern zone, as specified in Fis 302.04 (a)(2), shall open on October 2 and close on November 30.

(b) Taking of coots shall be limited to a daily bag of 15, and possession limit of 45.

(c) Daily shooting hours shall be from one-half hour before sunrise until sunset.

(d) Nontoxic shot, as defined in Fis 302.04(h), shall be required statewide for the taking of coots.

Fis 302.06 Geese.

(a) Pursuant to authority granted by RSA 209:6-b, and in accordance with 50 CFR Part 20, the regular Canada goose season shall be as follows:

(1) The inland zone, as specified in Fis 302.04(a)(3), shall open October 4 and close on November 6; reopen on November 23 and close again on December 18.

(2) The coastal zone, as specified in Fis 302.04(a)(1), shall open October 5 and close October 11; reopen on November 23 and close again on January 14;

(3) The northern zone, as specified in Fis 302.04(a)(2), shall open October 2 and close on November 30; and

(4) Taking of Canada geese shall be limited to a daily bag of 2, and a possession limit of 6.

(b) The season for taking snow geese shall be as follows:

(1) The inland zone, as specified in Fis 302.04(a)(3), shall open on October 4 and shall close on December 18;

(2) The coastal zone, as specified in Fis 302.04(a)(1), shall open on October 5 and close on January 14; and

(3) The northern zone, as specified in 302.04(a)(2), shall open on October 2 and shall close on November 30.

(c) The taking of snow geese statewide shall be limited to a daily bag of 25, and there shall be no possession limit.

(d) Daily shooting hours shall begin at one-half hour before sunrise and end at sunset.

(e) Nontoxic shot, as defined in Fis 302.04(h), shall be required statewide for the taking of geese.

**Readopt with amendment Fis 302.10, effective 4-24-21 (Document # 13197 EXEMPT), renumbered as Fis 302.09 and to read as follows:**

Fis 302.09 Brant.

(a) Pursuant to authority granted by RSA 209:6-b, and in accordance with 50 CFR Part 20, the season for taking brant shall be as follows:

(1) The inland zone, as specified in Fis 302.04(a)(3), shall open on October 4 and close on November 6; reopen on November 23 and close again on December 8;

(2) The coastal zone, as specified in Fis 302.04(a)(1), shall open on October 5 and close on October 11; reopen on November 23 and close again on January 4, 2023; and

- (3) The northern zone, as specified in Fis 302.04(a)(2), shall open on October 2 and close on November 20.
- (b) The taking of brant shall be limited to a daily bag limit of 2, and a possession limit of 6.
- (c) Daily shooting hours shall begin at one-half hour before sunrise and end at sunset.
- (d) Nontoxic shot, as defined in Fis 302.04(h), shall be required statewide for the taking of brant.
